KERATIN BONDS

Application: individual bonds of hair applied in small sections – discreet, comfortable and 360 movement with the natural hair

Maintenance: 3-6 month grow out (no reapplication required) – regular brushing with specially designed soft bristle brush and a salon professional haircare regime will increase longevity (hair cannot be reused)

Best for: those with fine/medium hair who like a low maintenance & customisable colour

WEIGHT GUIDE

50g – Partial Head / 100g – ‘Light’ Full Head / 150g Full Head
200g Full Head Length & Volume / 250g Extra Full Head

10-50 Bonds = ‘front fillers’

50-80 Bonds = thickness only

80-100 Bonds = thickness & length on fine-med hair

100-150 Bonds = thickness, length & volume
